MISSION: POSSIBLE

NAVIGATING THE FALLOUT OF CLIENT RELATIONS

MISSION BRIEF

Please join us for a free continuing education presentation built for design professionals. Your assignment... survive and succeed in the world of demanding client relationships.

- Decode the critical factors that determine if arbitration or litigation is the right path for dispute resolution in your contracts.
- Master effective communication internally and externally, with clear documentation throughout the project.
- Manage challenging client relationships through communication, contracts, and pre-claims assistance.
- Navigate lien waivers and how to best address legal and insurance issues that may arise.
